Re: RFAI of December 15, 2021 regarding October Quarterly Report

Dear Mr. Hinton:

Thank you for your letter pertaining to the October Quarterly Report. Upon receipt of your letter the committee reviewed the October Quarterly and did find some miscalculations where the beginning cash balance did not total correctly. The problem was determined to have been caused by an inconsistency in the previously filed July Quarterly report.

Amendments to both those reports have been filed and we double checked to ensure the beginning cash on hand correctly correlates back through all 2020 reports and matches the Year End cash on hand reflected in the Year End 2019 report. Please feel free to contact us via email or at 208-345-9929 with any other questions or concerns.

Sincerely,
R. John Insinger, Treasurer
